The Board of Education reserves the right to charge a security deposit of \$300 for the use of its facilities. The deposit will be returned after satisfactory inspection of the facility after use to ensure that it remains in optimum condition. The deposit will be forfeited if there is any damage or non-compliance with the expectations for Conditions of Use. The Board of Education reserves the right to waive fees charged for use of facilities by town groups meeting in the public interest or in fundraising activities in which the funds will be used for public welfare or benefit. Police services will be required when the size of the assembly requires control or supervision in parking accommodations. The organization must make necessary arrangements for and pay the cost of such service.
